CNA offers you the right products and services to fit all of your international insurance needs. The WorldPass® Controlled Master Program is a comprehensive foreign insurance package designed for U.S.-based multinational companies with international exposures, such as manufacturing facilities, distribution centers, sales offices, and warehouses. WorldPass® is an all lines packaged policy for larger, more complex risks typically having real property values and requiring local foreign policy placements.

CNA can service you and your employees in 50 countries on five continents through an international network of branch offices and long-standing relationships with international partners. Local representatives, available 24 hours a day, have the expertise and cultural sensitivity to meet your global claim and risk control demands.

**Contact your CNA independent agent for further coverage details.**
